QUICK START GUIDE 

TRANSFORMERS

POWER ON

Hold down for 5 seconds to start Optimus Prime.

TALK TO OPTIMUS PRIME

Try these commands.
Always start with,

1 **"HEY, OPTIMUS PRIME."**

And he will say,

2 **"GREETINGS!"**

Pause and then say,

3 **"CONVERT."**

COVERT FROM
TRUCK TO ROBOT

Repeat the first two steps above
and then try one of these phrases,

"WHO ARE YOU?"

"MOVE FORWARD."

"ROLL OUT!"

With 40 + Voice Commands, the fun
is endless!

SWITCH TO APP MODE

On the Main Screen of the App
Click "Connect"

REMOTE

Convert between robot and
truck, move, punch, honk, walk
and much more.

ROBOT ACTIONS

TRUCK ACTIONS

ACTIONS

Click any of the
preset "Actions" to see
and hear Optimus
Prime go!

MISSIONS

Learn all there is to know
about Optimus Prime, all
while having fun and
interacting!

CREATE

Program Optimus Prime
using physical memory
movements or block
based graphical
programming.

Please refer to the user
manual for complete
operational details and
instructions.
